

Course Material for Projects, Zines and Photobooks
Four Week Fully Mentored Photobook Workshop
Designing a Great Photobook Like a Professional – from Concept to Printing using Affinity
Publisher with Stewart Wall

Course Content Overview

This fully mentored four-week photobook course is designed to provide you with the structure, support, and resources needed to take your photobook project from concept to completion. Here's what to expect:

Weekly Zoom Meetings

The course begins and ends with live Zoom sessions, and includes weekly meetings held every Sunday at 6:00 PM (London Time). Each session runs for approximately 90 minutes and is an opportunity to explore that week's focus, ask questions, and share progress.

Zoom Meeting Schedule (only open to attendees on the course)

- Week 1 – Sunday, July 6th
- Week 2 – Sunday, July 13th
- Week 3 – Sunday, July 20th
- Week 4 – Sunday, July 27th
- Final Session – Sunday, August 31st

All sessions will be recorded, so don't worry if you're unable to attend live—you can catch up at your own pace. **We use the same zoom link each week.**

Basecamp Group

You'll have access to a dedicated Basecamp project space, where you can:

- Ask questions
- Share feedback
- Connect with both Stewart and fellow participants throughout the course

This is your virtual studio space—open 24/7 for collaborative discussion and support.

Mentoring Support

Stewart is available throughout the course to provide one-to-one guidance, usually via email. Whether you need feedback on your sequence, layout suggestions, or support preparing your file for print, mentoring is there to help you stay on track.

Online Modules and Video Lessons

Each week, you'll gain access to new online learning modules, including:

- Step-by-step video guides
- Design demos using Affinity Publisher
- Practical assignments to help you apply what you've learned

These resources are available for you to work through at your own pace, anytime during the course.
